Ignite Human Potential

Would you love to:

- learn new scientifically validated skillsets, techniques, practices and technologies to operationalize, accelerate and sustain team coherence and performance?
- create and sustain team harmony and collaboration?
- enhance team synergy?

If you answered a resounding YES to these questions, then Activating the Heart of Teams™ program is for you!

In this program, leaders and team members learn to:

Based on over 25 years of HeartMath®'s published, peer-reviewed research on the science of coherence, Activating the Heart of Teams™ is a best-in class program used by Fortune 500 companies worldwide.

This program gives you the tools to prosper in a world of flux, challenge and constant change.

With this program, you and your teams will experience real time feedback on team coherence levels through the innovative Inner Balance™ technology and Global Coherence App.

Benefits
